PART 55, AIR POLLUTION CONTROL, NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT, 1994 PA 451, AS AMENDED. The Department intends to formally adopt proposed revisions to the Air Pollution Control Rules (SOAHR 2007-005EQ) rescinding Part 12, Emission Averaging and Emission Reduction Credit Trading, R 336.2201 to R 336.2218, due to the lack of participation by the regulated community and lack of sufficient resources to maintain the voluntary emission trading program. The proposed rescission can be viewed on the Web at www.michigan.gov/deqair (click on "Laws & Rules"). Copies of the proposed rescission may also be obtained by contacting the Air Quality Division, Department of Environmental Quality, 525 West Allegan Street, P.O. Box 30260, Lansing, Michigan 48909-7760. Following formal adoption, the rescission will be submitted to the State Office of Administrative Hearings and Rules and the Secretary of State. The proposed rescission will take effect immediately after filing with the Secretary of State. Information Contact: **Teresa Walker**, Air Quality Division, 517-335-2247. Decision-maker: **DEQ Director**.

DEADLINE FOR PUBLIC COMMENT REGARDING CODING PRODUCTS INC. (SRN: B6175), KALKASKA, KALKASKA COUNTY, for the proposed approval of a draft renewal of a Renewable Operating Permit (ROP) for the operation of a facility to apply solvent-based coatings to rolls of polyethylene film. There are six web-coating lines used for this purpose. To reduce the amount of VOC emitted to the outside air, Coding Products employs pollution control devices. Five of the six

web coating lines share a regenerative thermal oxidizer, which destroys the VOC before it can escape. The sixth web coating line uses a solvent recovery system to condense VOC vapors back into liquid in order to reuse them. The draft permit is intended to simplify and clarify the facility's applicable requirements and will not result in any air emission changes at the stationary source. The ROP public notice documents can be viewed on the Web at www.michigan.gov/deqair. The responsible official of the stationary source is Wayne K. Higaki, 111 West Park Drive, Kalkaska, Michigan 49646. Comments on the draft permit are to be submitted to Allen Retlewski, Michigan Department of Environmental Quality, Air Quality Division, Cadillac District Office, 120 West Chapin, Cadillac, Michigan 49601. The decision-maker for the permit is Janis Denman, Cadillac District Supervisor. If requested in writing by December 12, 2007, a public hearing may be scheduled. MONTHLY AIR PERMIT APPLICATION WORKSHOP FOR FIRST-TIME APPLICANTS, CONSTITUTION HALL, LANSING, MICHIGAN. For most first-time applicants, completing the Permit to Install application is a daunting task. However, submitting a complete and timely application can be more manageable if you know what's expected. The Michigan Department of Environmental Quality is offering this workshop designed to give information on how to submit a complete permit application. Since this workshop is geared to first-time applicants, a significant portion of the session is devoted to your specific application. Air Quality Division permit engineers will be available to discuss your permit application with you one-on-one. To take full advantage of this time with the permit engineer, it is recommended you bring detailed information about your project with you to the session. This training is designed for first-time air permit applicants who need help completing their permit application; however, those who have applied before and need a refresher are welcome to attend as well. Online registration is available on the Web at www.michigan.gov/degworkshops, click on "Upcoming DEQ Workshops". Registration Fee: \$25, which includes parking in the Ellis Parking Lot on the east side of Constitution Hall and training manual.
